*A portion of your GCA dues are for subscription to the Georgia Cattleman, and is only available as part of the GCA membership. \*GCWA members do not receive the Georgia Cattleman, but are entitled to all other membership benefits. Payment of the GCA membership dues are tax-deductible for most members as an ordinary business expense. Complying with the new tax law, GCA estimates that 25% of the dues payment is not deductible as a business expense because of GCA's direct lobbying activities. Charitable contributions or gifts to GCA are not tax deductible for federal income tax purposes. Contributions to GCA PAC are not deductible as either a charitable contribution or business expense. Please consult your tax attorney or tax advisor for further details.*
