CARROLL COUNTY CATTLEMEN'S TOP HAND CONTEST

The Carroll County Top Hand Stockmanship and Stewardship Contest, hosted by the Carroll County Cattlemen's Association, the West Georgia CattleWomen's Association, and UGA Extension Carroll County, had five teams from Carroll, Coweta and Haralson counties to compete and build their cattle handling skills. The teams were judged on the plan they developed for administering vaccines and dewormer, ear tagging, and overall handling the cattle safely in the chute. The county contest offered the teams an opportunity to practice and prepare for the Regional contest, held in Carroll County on April 16.
